

ARE YOU A BUSINESS THAT MAKES OR IMPORTS PLASTIC PACKAGING?

Get Ready for Plastic Packaging Tax

Are you a South Somerset business that manufactures or imports plastic packaging?

[UK government has announced a new Plastic Packaging Tax \(PPT\) from April 2022.](#)

The aim of the tax is to provide a clear economic incentive for businesses to use recycled plastic in the manufacture of plastic packaging, which will create greater demand for this material. In turn this will stimulate increased levels of recycling and collection of plastic waste, diverting it away from landfill or incineration.

Be ready. Sign-up now for 'HMRC's Get Ready for Plastic Packaging Tax Webinars' to learn more about what you need to do before the tax comes into force.
